# Project Proposal: **Currency Converter Website**

**Abstract:**

Website used to convert one currency amount into another currency i.e Pakistani Rupees into Canadian Dollars. It allows users to input an amount of a specified chosen currency and convert that amount into another currency. This is a group decision in order to deliver combined presentation of group work. The respective website will save time as it will convert currency amounts into different currencies within seconds. **Result:** Conversions of currencies.

**Group Members:**

    Murtaza Hunaid Terai (Group Leader)   - Member ID (Roll# 24K-0782)

    Adnan Hatim      - Member ID (Roll#24k-0656)

    Turab Ali      - Member ID (Roll#24K-0651)

    Taymoor Ahson      - Member ID (Roll#24K-0939)

**Remarks:**

☐ Approved        ☐ Not Approved
